

## **Special offer to those applying before 1st December 2015!**

-We can help you plan venues for a mini tour in Denmark

The country of H.C. Andersen has much to offer.

From cosy small market towns with old houses and crooked streets, to interesting museums, modern architecture and design, Tivoli amusement parks and areas of unspoilt natural beauty.

If you have the chance of lengthening your stay in Denmark with a few days either before or after *The 5th International Choir Festival*, then the festival organisers can help you to plan your tour.

We can put you in touch with concert arrangers, help with booking of accommodation and transport, and offer suggestions about places to visit -naturally, while taking your budget and preferences into consideration.

This offer is a special service to choirs taking part in *The 5th International Choir Festival* but is otherwise completely independent of the Festival. Any extra expenses associated with your extended stay must be financed by you alone.

If you would like to make use of this offer, please contact us:

NB: The offer is exclusively available to participating choirs who apply no later than 1st December 2015.
